

L·MOVE

Connecting people to ideas

info@l-move.net

www.l-move.net

Unexpressed Potential

L-Move's community goals are mainly two: 1) help individuals to develop their business ideas;
2) help company through the open innovation system to solve problem.

Big ideas

- No money
- No time
- No skills
- No team

Skilled Community

- No Job
- Underemployed
- No market for ideas
- No network

R&D Problems

- Lack of financial resources
- Lack of time
- Lack of team
- Lack of skills

Individual Business Ideas

Company Problems

Connecting people to ideas

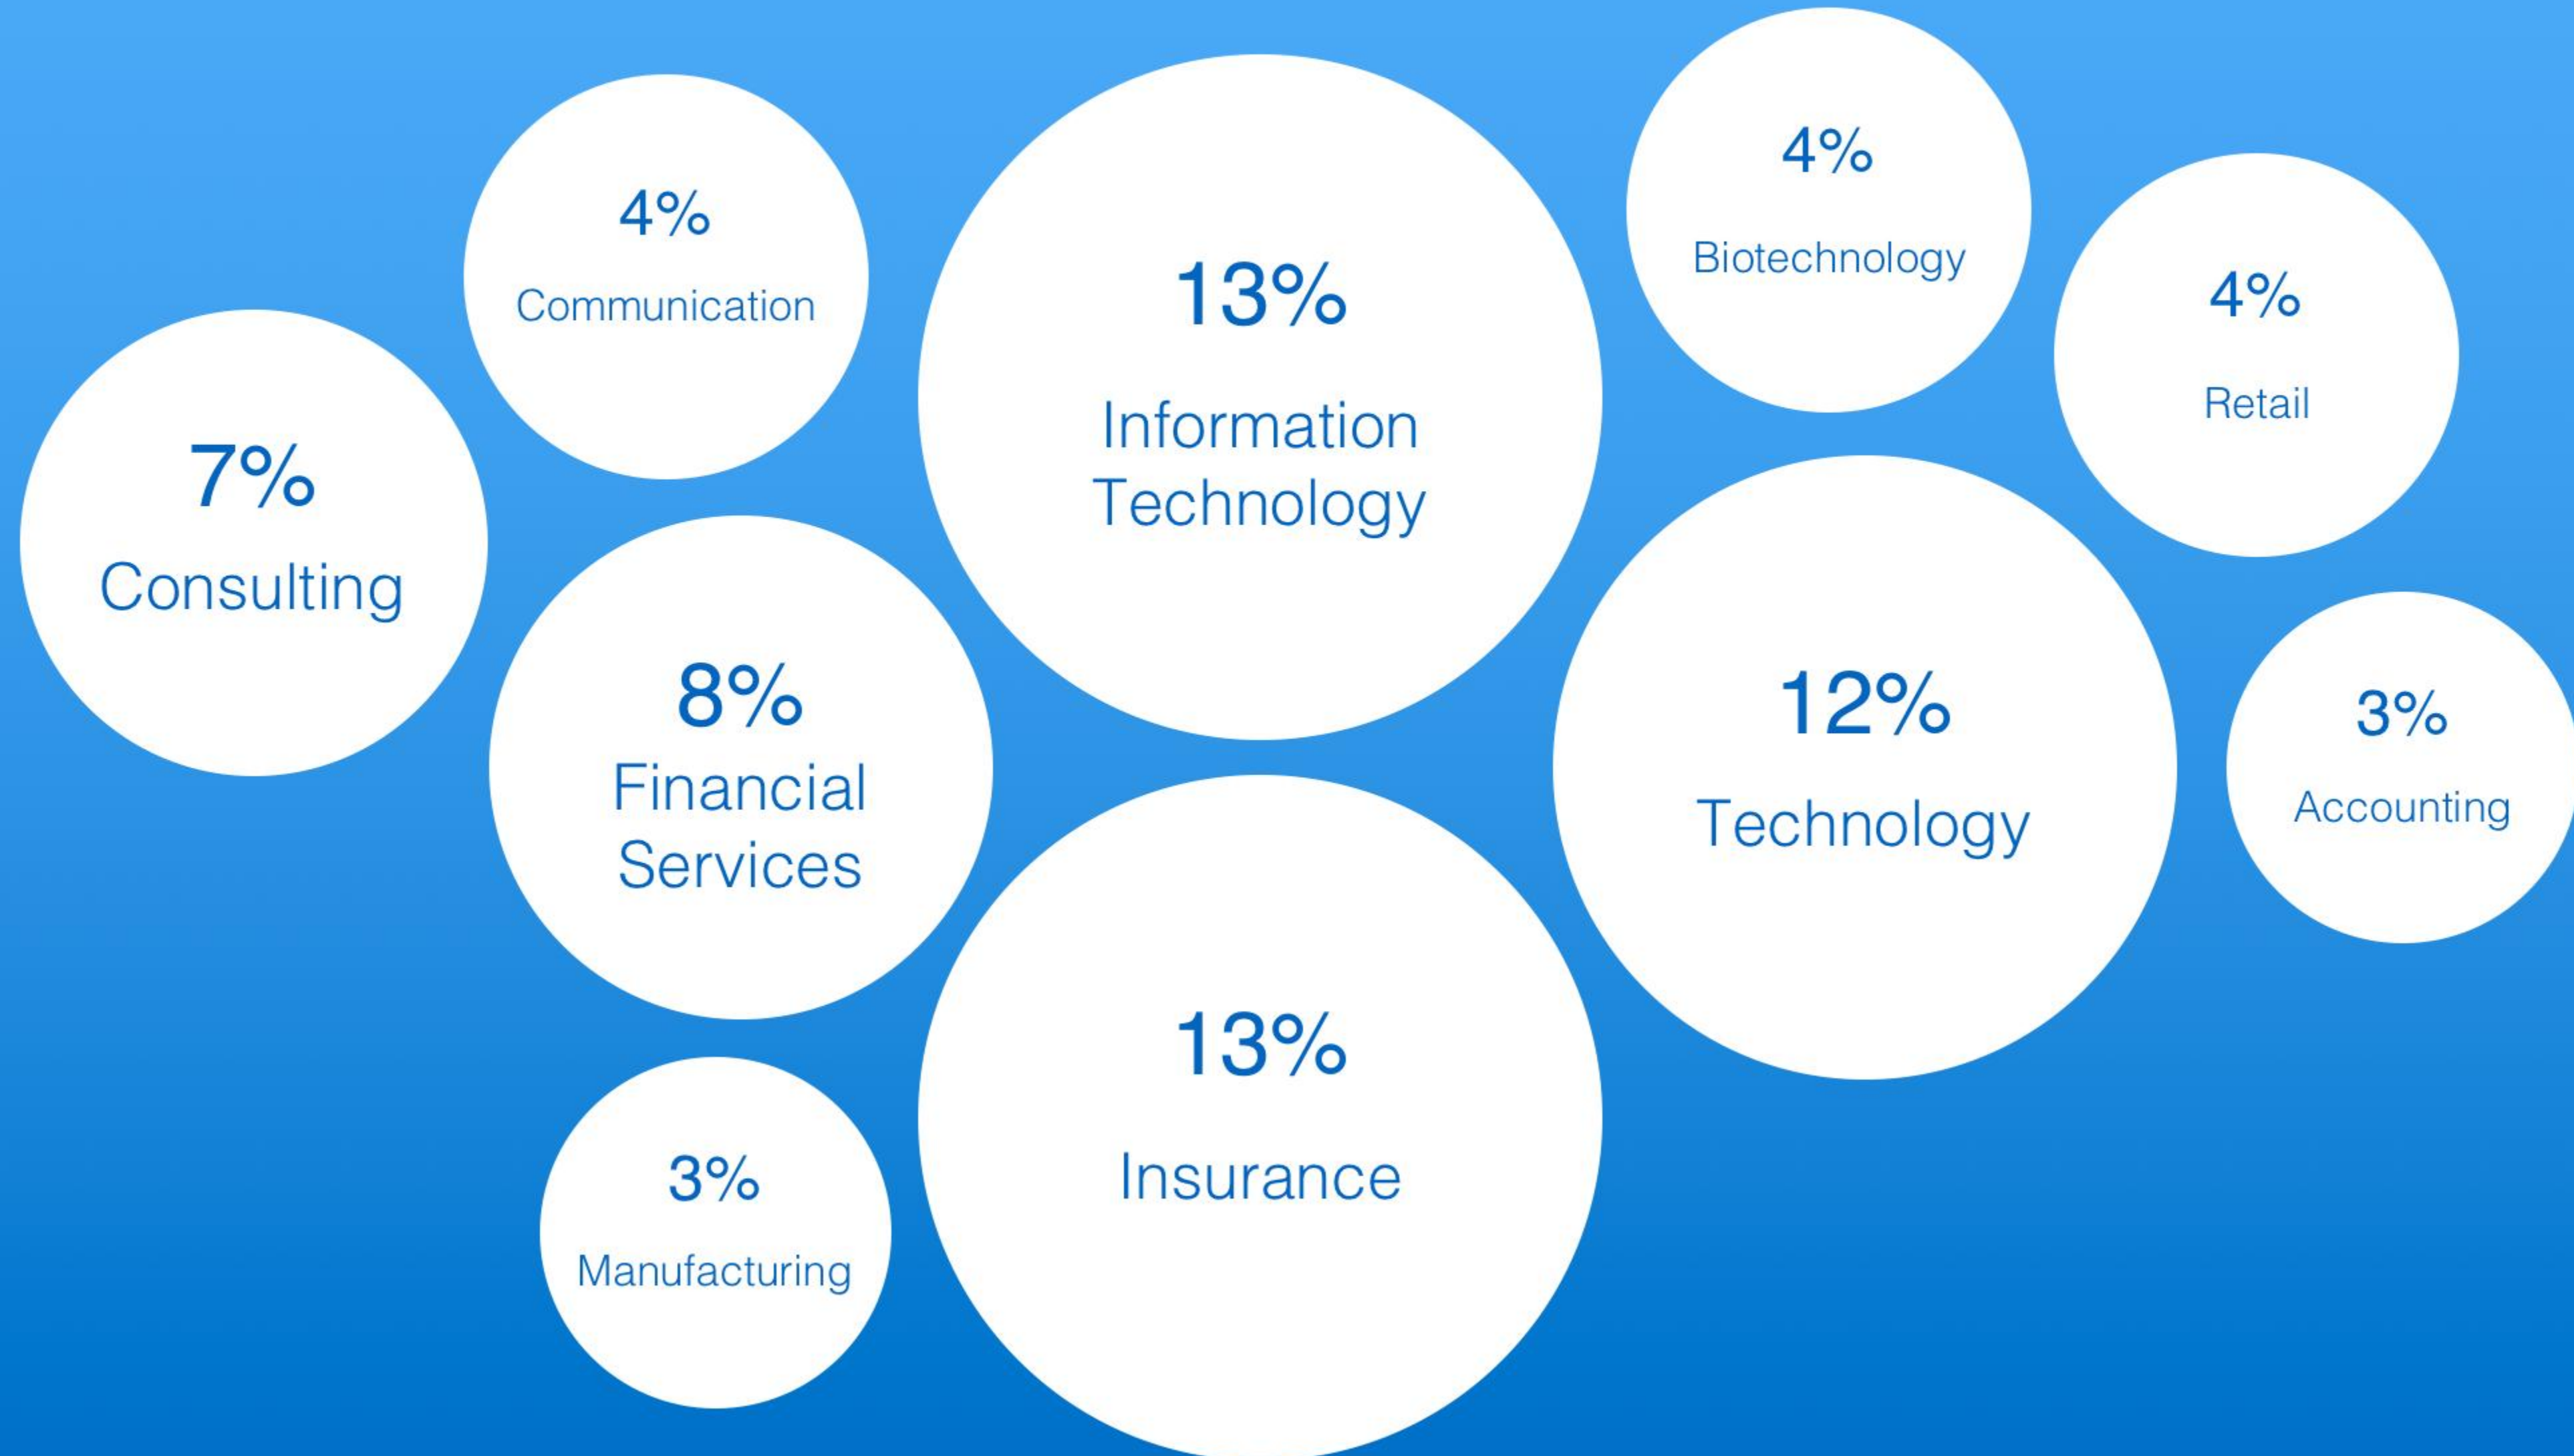

L-Move is a **community** of young skilled people helping others to develop and structure their **ideas**.
